Master Strategy: 20-Mark Question Kaise Likhein?

IGNOU mein 20 marks ke question ke liye 500-600 words (lagbhag 4 to 5 pages) likhna hota hai. Agar tum bina structure ke likhoge toh average marks milenge (10-12 marks). Agar is master structure ko follow karoge, toh 16-18 marks pakke hain!

20-Mark Answer Structure Blueprint:

1. Introduction (प्रस्तावना) [50-70 words]:
- Topics

Presentation Hacks:

* Answer ke bich mein ek chhota sa **flowchart ya diagram** bana do (jaise "Sex vs Gender" ka column, ya "Forms of Violence" ka tree map). Examiner par iska zabardast impact padta hai!

* Important keywords ko **underline** karo.

* Clear headings ke liye Black Pen aur normal text ke liye Blue Pen use karo.

The Big 6: Selected VVIP Questions with Explanations

Question 1: Definition of Masculinities & its Construction (पुरुषत्व और इसका निर्माण)

June 2023 (Q1), June 2024 (Q4), June 2025 (Q1), Assignment (Q1)

Concept Samjho (Hinglish):

Society mein mard (men) hone ka kya matlab hai, unhe kaise behave karna chahiye, unka attitude kaisa hona chahiye—isi ko Masculinity (पुरुषत्व) kehte hain.

Hamari society hume bachpan se sikhati hai ki "Mard ko dard nahi hota", "Rona ladkiyon ka kaam hai", aur "Mard ko strong, aggressive aur earning member hona chahiye".

Masculinity koi biological cheez nahi hai; ise society build karti hai (Socially Constructed).

Detail Structure (Hindi Exam format):

- परिभाषा (Definition): पुरुषत्व (Masculinity) उन गुणों, व्यवहारों और भूमिकाओं का समूह है जो किसी समाज में पुरुषों के लिए उपयुक्त माने जाते हैं। समाजशास्त्री आर. डब्ल्यू. कोनेल (R.W. Connell) के अनुसार, पुरुषत्व के कई रूप होते हैं, यह कोई एक समान श्रेणी नहीं है।

• पुरुषत्व

Question 2: Sex vs Gender & Social Construction (लिंग और जेंडर एवं सामाजिक संरचना)

June 2023 (Q6/Q7), June 2024 (Q6), June 2025 (Q2), Assignment (Q6)

Concept Samjho (Hinglish):

Log aksar Sex (लिंग) aur Gender (जेंडर) ko ek hi samajhte hain, par dono mein zameen-aasman ka fark hai!

- Sex biological hai (jo nature ne hume diya hai biological difference, chromosomes, organs).

Detail Structure (Hindi Exam format):

- अंतर तालिका (Difference Table):

आधार (Basis)	लिंग (Sex)	जेंडर (Gender)
प्रकृति (Nature)	यह जैविक (Biological) और प्राकृतिक है।	यह सामाजिक (Social) और सांस्कृतिक है।
स्थिरता (Stability)	यह सार्वभौमिक और स्थायी है (सभी देशों में समान)।	यह समय और संस्कृतिके साथ बदलता रहता है।
निर्धारक (Determiner)	हमारे गुणसूत्र (Chromosomes) और शारीरिक अंग।	परिवार, धर्म, मीडिया और संस्कृति।
उदाहरण (Example)	केवल महिलाएं बच्चों को जन्म दे सकती हैं (जैविक)।	हमारे ही खाना बनाएंगी और घर संभालेंगी (सामाजिक जेंडर भूमिका)।

- जेंडर का सामाजिक निर्माण कैसे होता है? (How is Gender Socially Constructed?):

Question 3: Gender Gap in Labour Force & Paid Care Work (श्रम बल में जेंडर अंतराल और सवैतनिक देखना)

June 2023 (Q2), June 2024 (Q2/Q12), June 2025 (Q4), Assignment (Q2/Q9)

Concept Samjho (Hinglish):

Labour force participation rate (LFPR) ka matlab hai ki kitne percent log naukri ya kaam kar rahe hain.

India mein Gender Gap in LFPR bohot bada hai (men lagbhag 70-80% participate karte hain aur women sirf 20-25%).

Iske peeche teen bade concepts hain:

- Sexual Division of Labour (श्रम का लैंगिक विभाजन): "Ghar ka kaam aurat ka, bahar ka kaam mard ka".

2. Double Burden

June 2023 (Q4), June 2024 (Q1/Q3/Q14), June 2025 (Q6), Assignment (Q14 - Indirect)

Concept Samjho (Hinglish):

- GenderBased Violence (GBV): Wo violence jo kisi person ke gender ki wajah se uspar kiya jata hai (mostly women aur LGBTIQ+ community par). Isme physical, mental, emotional aur sexual violence shamil hai (jaise domestic violence, acid attacks, rape, honor killing).

Question 5: Relationship between Language and Gender (भाषा और जेंडर)

June 2023 (Q3), June 2024 (Q5), June 2025 (Q7)

Concept Samjho (Hinglish):

Tumne notice kiya hoga ki hum jo language use karte hain, wo bhi gender-biased hoti hai.

- Sexist Language: Hum bachpan se bolte hain "Chairman", "Manpower", "Mankind", "Businessman". Isme automatically 'Man' (purush) ko center mein rakha jata hai, aurat ko gayab kar diya jata hai. Ab iski jagah GenderNeutral terms use ho rahe hain jaise "Chairperson", "Human resources", "Businessperson".

June 2023 (Q5), June 2024 (Q7/Q9), June 2025 (Q8-a), Assignment (Q8)

Concept Samjho (Hinglish):

Media (TV, Movies, Ads, Social Media) hamari soch ko design karta hai.

Media mein gender representation kaisa hai?

1. Stereotyping (रूढ़िवादित): Ads mein washing powder, dishwasher, aur cooking oil ke ad mein humesha aurat ko dikhaya jata hai. Aur car, bike, insurance, aur bank ke ad mein mardon ko. Ye dikhata hai ki ghar chalana aurat ka kaam hai aur financial decisions lena mard ka.
